Community Service Opportunities at PWC 4-H!

4-H In-Person Office Volunteers

Lend us your helping hands! The PWC 4-H Office is in need of office volunteers to help get us organized after a busy time at the Fair. We're looking for adult volunteers and homeschool youth or youth groups to volunteer through the month of October at the 4-H Office.* We can work with your schedule! Earn valuable skills around the office as well as serve your community to help 4-H launch the new year! Please email [Kristin Saul](mailto:Kristin.Saul@pwch.org) to volunteer.
 *PWC requires masks be worn in the office.

4-H Virtual Volunteers - Create 4-H To-Go Activity Kits for the PWC Library from Home!

We're looking for adults, youth, clubs...YOU to volunteer to help us put together "4-H To-Go" kits. We have about 350 kits of each of the activities from the fair that we will package to drop off at PWC Libraries for distribution to the community. All of the items needed for the to-go kits will be included in a box to create 50 learning activity kits - we need you to organize them into individual learning kits for youth to "grab and go" when visiting the library. The kits may be assembled at home, at your club meeting, or at the 4-H Office.

The organized kits should be dropped off at the 4-H Office by Monday, October 11th. Please [click here](#) for the link to [signup for a pick-up day!](#)

ISO Space Heaters for the 4-H Children's Barn

Help keep our 4-H'ers warm! Our new Clover Club meetings will be starting up in October and it will get cold quickly at the 4-H Children's Barn. If you have an unwanted or unused space heater (electric with covers or encased coils preferred), please consider donating it to PWC 4-H and help keep our littlest 4-H'ers cozy.

CONGRATULATIONS PWC 4-H'ERS!

PWC Fairgrounds Fall Gardening

Don't forget to tidy up your Fair Garden for fall! The PWC Fairgrounds are used throughout the year and our 4-H gardens reflect our respect and commitment to the property and community service. Remove weeds and annuals, reset the mulch, and maybe consider planting bulbs for a beautiful spring!

Did you know... A new curbside yard waste collection program begins October 1st in PWC! Yard waste will be collected separately from trash and recycling. Yard waste must be placed in biodegradable paper bags or containers labeled "Yard Waste". Do not use plastic bags for yard waste collection. Yard waste material will be composted at the newly expanded Balls Ford Road Compost Facility versus landfilled, adding up to 15 years to the Prince William County Landfill's useful life. Visit www.pwcva.gov/yardwaste for additional details.

PWC 4-H Scholarship Applications Released Soon!

Applications for PWC 4-H Scholarships will be released next week. Start thinking about your application, reference, or who you would like to nominate!

Bernard Malo Scholarship

Bernard Malo was a past leader of the Trigger Time 4-H Shooting Education Club. Bernie, a 4-H All Star, was active at the local, district, and state level and gave much to the youth of Virginia. His family, who are all 4-H'ers and friends, started a scholarship fund to honor his memory. Trigger Time 4-H Club members have continued to help this scholarship fund grow. This scholarship is for higher education for those entering as a freshman into any four year college, community college or vocational school. Amount of scholarship may vary from year to year. Two letters of reference are required to be submitted with the application, and more are acceptable. The scholarship review committee may consist of Trigger Time 4-H adult volunteers, other 4-H adult volunteers and/or 4-H staff. Those applying from Trigger Time Shooting Sports 4-H Club will be given first consideration for this scholarship. The review panel for this scholarship will meet and decide before the end of the high school year.

Joanne Guhl Scholarship

Joanne Guhl was a member of the Boots and Saddles 4-H Club who died in a tragic automobile accident in 1984. Her parents honor her memory by awarding a college scholarship to a 4Her. Applicants must be enrolled the Prince William County 4-H program and must have been accepted at an institution of higher learning. Preference is given to 4-Hers pursuing a career in animal science.

All Around 4-H Member and All Around 4-H Volunteer Awards

The All Around 4-H Member and All Around 4-H Volunteer awards were created to recognize individuals who demonstrate exemplary service to Prince William 4-H through participation in program planning, development, and implementation at the club level and beyond. This yearly award will be given to individuals who strengthen local 4-H clubs and county 4-H by encouraging and promoting youth members and volunteers, helping to recruit new members and leaders, and through leadership responsibility while promoting service through volunteerism.

AWARD RECOGNITION IS DECEMBER 5TH

Virginia 4-H: YCLI Application

The **Youth Conservation Leadership Institute** is a great opportunity for youth held annually by the Virginia Soil and Water Conservation District.

YCLI is a recognition program for High School (9th-12th) students that focuses on volunteer service and environmental stewardship. YCLI began as an expansion of Youth Conservation Camp in an effort to keep students engaged in the environmental topics introduced at camp. YCLI offers high school students interested in environmental conservation and stewardship an opportunity to build leadership skills and connect with local mentors involved with environmental issues.

Students choose projects that they are interested in to carryout in their community! As a participant in YCLI, students will be required to complete a minimum of 20 hours of community service with a focus in the natural resources conservation field. Students are encouraged to focus work with the local Soil & Water Conservation District but any work that contributes to pollution prevention, natural resources conservation, and promotion of environmental literacy will be accepted. All projects must have a confirmed mentor which may be a local SWCD, government agency, community leader, or similar local organization.

YCLI is open to any Virginia high school (9th-12th grade) homeschool, private and public school student committed to the entirety of the program including:

- Completion of at least 20 community service hours to be approved by the YCLI Program Coordinator.
- Submission of one interim and final report/presentation on the community work completed.
- Attendance at the final recognition program to be held in Spring of 2022
- Read an assigned book on environmental leadership for a group discussion

Virginia 4-H: Youth In Action Nominations Open

PWC 4-H Teens - apply today for the Virginia 4-H Youth in Action Awards!

Virginia 4-H has opened up their request for nominations for their annual Virginia 4-H Youth in Action Awards. This year's process is different, in that the youth themselves may apply directly for the award. However, they are now required to obtain a letter of reference from their Extension Agent (or the VCE professional responsible for 4-H in their Unit). Youth are asked to apply in the pillar areas of Agriculture, Civic Engagement, Healthy Living, and STEM. One pillar winner will be chosen from each area, as well as an overall state winner from the four pillar winners. Any 4-H member in Virginia ages 15-18 is eligible to be nominated.

Each of the four winners will receive:

- A \$500 mini-grant to develop a significant community project.
- Recognition at a formal award ceremony.
- A full scholarship to attend Virginia 4-H State Congress the week of June 20, 2022, in Blacksburg, VA.
- An opportunity to be featured as the Virginia 4-H Youth Spokesperson for their pillar area.
- An opportunity to represent Virginia 4-H at the national summit for their pillar area.
- Support and mentorship to apply for the 2023 National 4-H Youth in Action Awards.
- An official reference letter from the Virginia State 4-H Program Leader, Jeremy C. Johnson

Previous winners are not eligible, but a nominee that was not selected last year may apply again. **Applications are due Friday, October 29th.**
