VA 4-H Congress Interest Meeting - **THURSDAY!**

Date: Thursday, March 31st, from 7:00-7:30pm
Location: Zoom link sent after registration.
[Click here to register and receive link.](#)

Virginia 4-H State Congress is the premier, statewide annual 4-H event for outstanding 4-H teens and adult volunteer leaders. Its mission is to provide competitive and non-competitive educational experiences to Virginia teens and the adults who work with them, helping them to develop life skills and leadership abilities to become contributing citizens in their communities. If you are a senior 4-Her (will turn 14 before Sept. 30th) you are eligible to attend 4-H State Congress! Want to find out more about 4-H State Congress and how to attend? Join in the county informational session via Zoom!

100th Virginia 4-H Congress
Dates: June 21st - 24th
Location: Virginia Tech
[Click here for more information.](#)

Information released March 29th. Registration begins April 26th. Registration closes May 17th.

4-H Camp Registrations Opens **SATURDAY!**

Junior Camp: July 24th - 28th
Fair Camp: August 15th - 19th
Online registration opens at noon on April 2nd.

The registration system is not quite ready for us. Since we are adding the option to pay by credit card this year, we have to work with the Virginia Tech campus to set up the payment system. We are still waiting on a few details to be completed, and will alert everyone if registration will need to be delayed. In the meantime, our camp website is ready! [Click here to take a look at the new class tracks](#) being offered this year and familiarize yourself with our site.

STEM Community Night - **TUESDAY!**

This is going to be an exciting night! The evening is being led by Prince William 4-H volunteer Mary McDonald, a data science industry expert, that will open with a discussion about what data is collected online and why, an intro to data science, and then an interactive game that will change the way you think and respond online.

This exciting and thought provoking evening is free and open to all PWC youth ages 9-18. No computer experience is necessary!

See [Page 5](#) for more information and registration (*free*) link!

Clover(bud) Club - THIS SATURDAY!

SAVE THE DATE: Saturday, April 2nd

Time: 10 am-12 pm

Location: PWC Fairgrounds

Who Should Attend: PWC youth ages 5-8

[Click here to register \(free\).](#)

The April Clover(bud) Club meeting will focus on the 4-H Pillar of Healthy Living: eating healthy, healthy lifestyles, character, ethics, stress management, and disease prevention. We'll dive deeper into healthy foods and have a fun activity identifying vegetable seeds...and plant a few, too! Check out [Page 4](#) to learn more about Prince William 4-H's Wellness Wednesdays and maybe join us for added weekly fun moving and being healthy!

Prince William 4-H Entrepreneurship Project

The PWC 4-H Entrepreneurship Project was launched at the Prince William 4-H Suburban Ag Community Night last night. The project is a collaborative effort between the Manassas Farmers Market and Prince William County Cooperative Extension to offer youth entrepreneurs ages 5-19 a chance to create and showcase their business talents and trades. Ten (10) youth entrepreneurs, will be selected to participate in this project based on their application. Participants will be expected to attend all 4 workshops and a minimum of 3 markets.

Applications are due April 21st.

[Click here for the application.](#)

[Click here for the project schedule/timeline.](#)

Prince William 4-H Embryology Project

Chicks are hatching! Check out this photo of Kindergarteners with their chicks at Coles Elementary school. The "Beginning of Life" 4-H project is designed to help youth obtain a better understanding of life and embryonic development. Share your pictures with us by emailing Ashley Isaacson at aisaacson@pwcgov.org.

Chick Drop Off Dates at the PWC Fairgrounds:

April 1st, 9 am - noon

April 8th, noon - 3 pm

Our chicks are being rehomed to a local farm in Prince William County.

Fork Union Military Academy defeats Trigger Time 4-H Shooting Education Club

March 27, 2022- Fork Union Military Academy defeated Trigger Time 4-H Shooting Education Club 926.7 to 837.3 in the 2022 National Air Rifle New Shooter League. Their second win in a row. They currently have a 5 - 3 record. Fork Union Military Academy was led by, Tzu-Heng Hung who shot a 256.2. The remaining contributing members were Isaac Gilman, Ethan Stroh, and Nicholas Coleman. Fork Union Military Academy is from Fork Union, VA, and is coached by MAJ David Wallace.

Trigger Time 4-H Shooting Education Club currently has a 3 - 4 record. Trigger Time 4-H Shooting Education Club was led by, Colin White who shot a 214.2. The remaining contributing members were Ben Stewart, Jubilee Richter, and Nora Wallschlaeger. Trigger Time 4-H Shooting Education Club is from Bristow, VA, and is coached by Alan Lerch.

Next up Fork Union Military Academy will compete against East Surry AJROTC from Pilot Mountain, NC. East Surry AJROTC currently has a 3 - 5 record. While Trigger Time 4-H Shooting Education Club will compete against Bensalem MCJROTC from Bensalem, PA. Bensalem MCJROTC currently has a 3 - 5 record.

These two teams are competing in the National Air Rifle "New Shooter" League. Sponsored by the Orion Scoring System, the league is a national team league exclusive to athletes in their first year of competition. Teams are from high schools and junior rifle clubs throughout the United States. Over 10 weeks each team competes in 8 games. Each week, each team is paired with another team with a near equal skill level.

In each game the teams compete in what is known as a Three-Position Air Rifle match. The match is modeled after Olympic Rifle competitions but adapted to high school age athletes. Each athlete will shoot 10 shots in three different shooting positions, prone, standing, and kneeling. Each shot is worth a maximum of 10.9 points. The sum of points scored in the 30 shots is the athlete's total. The team score is comprised of the best four athletes from each team.

Press Releases Submitted by Trigger Time 4-H Shooting Education Club

For more information on the league, including complete standings, visit <https://www.national-leagues.com/new-shooter>

Virginia 4-H Healthy Living Summit

Date: April 30th

Location: George Washington Carver Agricultural Research Center

Who Should Attend: All 4-H enrolled youth ages 14-18

Cost: \$10, includes lunch, snacks and supplies

Registration Deadline: April 10th

[Click here to register.](#)

The Virginia Healthy Living summit brings together teens from across the state to focus on learning opportunities centered around topics on nutrition education, physical fitness, wellness and emotional well-being. This summit is one you will not want to miss as it will feature hands-on and engaging workshops focused on the four H's:

Head – Mental Health and Social/Emotional Wellbeing (*Glitter Jars*)

Heart – Community Gardens (*Make Your Own Pizza Garden and Pizza*)

Hands – Physical Activity (*Line Dancing*)

Health – Nutritious Snacks (*Trail Mix and MyPlate*)

In addition, the Summit will feature keynote speaker, Samantha Whysong, 2020 Virginia 4-H Healthy Living Youth in Action Award Winner highlighting her project work, an anti-bullying campaign.

From Our Partners at VCE: Mental Health First Aid to Help Youth Training for Volunteers

Dates: April 5th or May 6th, 8:30 am -3:30 pm

Location: Online

[Click here to Register.](#) Free for VCE/4-H Adult Volunteers. Must register 1 week prior to course.

Too few of us know how to respond if we saw someone having a panic attack or if we were concerned that a young person, friend, or co-worker might be showing signs of a substance use disorder or mental health crisis. Mental Health First Aid takes the fear and hesitation out of starting conversations about mental health and substance use problems by improving understanding and providing an action plan that teaches people to safely and responsibly identify and address a potential mental illness or substance use disorder. When more people are equipped with the tools they need to start a dialogue, more people can get the help they need. Mental Health First Aiders can even save lives.

PRINCE WILLIAM 4-H
PRESENTS

WHO SHOULD ATTEND?

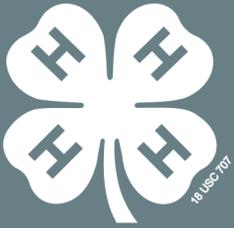

All Prince William County youth ages 9-18 that are interested in STEM and 4-H are welcome!

No computer experience necessary.

ENGINEERING &
TECHNOLOGY

ENTREPRENEURSHIP
& FINANCIAL
LITERACY

STEM

Community Night

STARTS AT
7PM

APRIL
5

Prince William 4-H | McCoy Conference Room, 7987 Ashton Ave | Manassas, VA

Registration is required, but participation is FREE! [Click here to register.](#)

Prince William 4-H STEM Community Night will inspire youth to be problem solvers, creative and critical thinkers, and explorers! Our youth must navigate the challenges of the real world through first-hand experience and knowing how to create, not just consume, technology. 4-H's interdisciplinary, curriculum-based approach engages and excites young people to learn by doing!

Virginia State 4-H Cabinet Elections

Who: Prince William 4-H Teens

[Click here for the 2022-2023 State 4-H Cabinet Elections Packet.](#)

Applications are Due May 6th at 5 pm.

The State 4-H Cabinet is a youth/adult partnership in which youth and adults work together to promote and carry-out specific programmatic functions of the Virginia 4-H program. Serving as a State 4-H Cabinet member is designed to be a competitive and engaging leadership development experience within the Virginia 4-H program. The youth members of the Cabinet serve as the 'voice' for 4-H youth across the Commonwealth.

During Virginia 4-H Congress, members will elect four Ambassadors from each district. Qualified candidates will represent the needs and interests of Virginia 4-H youth. They will positively represent and promote 4-H at local, district, and state levels, demonstrating the best that 4-H has to offer. **All candidates must attend the 2022 Virginia 4-H Congress held at Virginia Tech June 21-24.**

VA 4-H Horse Updates

2022 Mary Cole 4-H Horsemaster 50 Mile Ride

Dates: June 26th - 30th

Location: Iron Mountain Horse Camp (IMHC), in Ivanhoe, Virginia

Who Should Participate: this event is open only to 4-H'ers

[Click here for more information and to apply.](#)

Applications are due April 25th.

We will be camping and riding in the Jefferson National Forest and part of the Mount Rogers Recreational area, which will afford us some of the most spectacular scenery. Camping will have water/electric hookup and there are showers and toilet facilities. Horses will be kept in stalls. This is a fabulous trip and experience for 4-H'ers! We will take in some awesome trails, have lots of fun back at camp and around the campfire, great food and fellowship. While you don't have to be a diehard camper to enjoy or survive this trip, you will need appropriate equipment and conditioning for you and your horse. The document attached provides general information about the ride including cost, sample ride day and a required conditioning schedule.

2022 Southern Regionals 4-H Horse Championships

Date: August 3rd - 7th

Location: Georgia National Fairgrounds, Perry, GA

[Click here for online application.](#) [Click here for event details and rules.](#)

Applications are due May 15th.

The Southern Regional 4-H Horse Championships bring over 400 youth from 13 Southeastern states to compete in the Regional Horse Show as well as educational events such as Horse Quiz Bowl, Hippology, Horse Judging, Public Speaking, and Demonstrations.

[Click here for the VA 4-H Horse Program Calendar.](#)

2022 Virginia Farm Festival

Dates: May 7 & 8, 2022 from 10 am - 5 pm

Location: The Meadow Event Park, Doswell, VA

[Click here for vendor forms, sponsorship opportunities and more.](#)

The vision for the Virginia Farm Festival grew out of a desire to expand the educational components of the State Fair of Virginia into a new spring event in order to tell the story of spring planting and bring families together as we work to grow our yearlong commitment to serving Virginia's youth, families, and agricultural communities as Virginia's Largest Outdoor Classroom. This event successfully launched in May of 2021 as one of the region's first live events to take place! Over 6,000 attendees enjoyed being outdoors and learning more about agriculture.

Upcoming Deadlines for VA 4-H and FFA Youth

The Virginia Hereford Association Heifer Scholarship

The scholarship offers full ownership and possession of a Hereford heifer for the winning applicant. The winner takes full ownership and possession of the heifer and becomes responsible for all costs for the heifer, and must show it at a VHA sanctioned show within a year. They are required to donate a purebred heifer calf back to the program within two years, and give a presentation on their experience. This opportunity is open to any youth interested in becoming involved in cattle and showing. [Click here for more information.](#) **Application deadline is April 5th** and the winner will be announced at the VA Beef Expo.

2022 Virginia Junior Beef Roundup/VA Beef Expo, Rockingham County Fairgrounds, Harrisonburg, VA

Dates: April 15th - 16th

[Click here to enter.](#) **Entries due Friday, April 8th.**

The Junior Beef Roundup has become not only an elite junior cattle show, but also one of the largest youth educational contest weekends within the state. The Expo encourages the development of youth involved in the cattle industry through beef cattle shows, educational contests, cooking and cattle handling contests.

Market Animal College, Rockingham County Fairgrounds, Harrisonburg, VA

Date: Saturday, April 23rd,

[Click here for more information.](#)

This is a great opportunity for those new to showing and raising livestock projects, or those with experience that want to broaden their knowledge.

2022 Virginia 4-H/FFA Dairy Skillathon, Rockingham County Fairgrounds

Date: Friday, April 29, 2022

[Click here to register.](#) **Registrations are due Friday, April 22nd.**

[Click here for more information and resources.](#)

The VA 4-H/FFA Dairy Skillathon is an education contest open to 4-H and FFA members.. There is no fee to register. Click on more information to see the various skills competitions and the age groupings for individuals and teams.

ANGUS Foundation The Angus Foundation Scholarship

Academic scholarships to students whose families use registered Angus bulls in their commercial operations. [Click here for more information.](#) **Applications are due May 1st.**

Virginia 4-H: Inbound States Program ISO Host Families

Would you be interested in hosting a Japanese student or adult chaperone for 4 weeks this summer? Virginia 4-H is a partner with States' 4-H International Exchange and we can make that happen. **Virginia 4-H is committed to hosting 15 delegates and 1 adult chaperone. We currently do not have enough host families to match our commitment.** Key points:

- Program runs July 22-24 through August 16-18, 2022
- Japanese delegates will be aged 12-18
- Youth have a range of English language abilities.
- Host family receives no stipend to host a delegate.
- To host a delegate, a family must have a child who is 9+ years old.
- Families will be matched with a delegate of the same gender who is within 3 years of the host youth's age.
- Families without youth can host adult chaperones.
- Delegates are here to experience every day American life. No special activities need to be planned.
- Virginia 4-H will provide a host family orientation.

VSU Annual Blueberry Field Walk

Dates: Friday, April 22nd, 9-11 am

Location: VSU Randolph, 4415 River Rd., Petersburg, VA

[Click here for free registration.](#)

Blueberry is the fastest-growing berry crop in many states including North Carolina, Georgia, and Florida. Market demand for blueberry continues to grow, and profit potential for growing locally grown blueberry is considerable. One major issue for blueberry growers is the planting of the new blueberry cultivars (varieties) that are becoming available with superior fruit size, taste, color, and pest, and disease tolerance. In this event, the participants will learn about the characteristics of the blueberry varieties grown at Randolph Farm. Also, the production potential of container-grown blueberry will be discussed. Currently, there are 43 different blueberry varieties planted at Randolph Farm. These varieties are from three different blueberry types, Rabbiteye, Southern Highbush, and Northern Highbush. This field walk is free and open to the public.

AgDiscovery at VSU - Applications Due March 31st!

Dates: June 19-July 2

Location: Virginia State University

Who Should Apply: High School Students

[Click here for more information and to apply.](#)

AgDiscovery is a unique opportunity for students to explore agricultural sciences and gain knowledge about careers in animal and plant disciplines, wildlife management, veterinary medicine, biotechnology, entomology, food safety, food production, agribusiness, forestry, and much more. Students experience hands-on learning workshops, behind-the-scenes tours, laboratory and field exercises, and a variety of character- and team-building activities.

AgDiscovery Program at VSU: Explore the Small Ruminant and Food Science Program in the College of Agriculture. Activities will follow an animal science theme through the lens of food production, with a focus on livestock production, food processing, and food safety. You'll gain experience in the disciplines of animal science, aquaculture, and food science through a series of hands-on activities with small ruminants, farmed fish, on-farm processing, and field and laboratory research. Field trips and guest speakers provide exposure to a variety of related professions in agricultural production and research. You will live in a university dormitory for the 2-week program. The Virginia State University (VSU) College of Agriculture/Agricultural Research Station facilitates this program in collaboration with USDA partners and industry representative.

VSU STEM4US Cyber Hackathon

Thanks to the Hyattsville/Landover (MD) Alumni Chapter of Kappa Alpha Psi Fraternity, Inc, the first 100 students can register FREE! [Click here for registration link.](#)

Dates: Saturdays, April 23rd - May 21st

Time: 2-5 PM

Location: Online Event

Who Should Apply: Middle and High School Students

[Click here to register.](#)

The Cyber Hackathon seeks to provide as many as 200 middle and high-school youth the chance to learn about building mobile phone apps, developing websites, cybersecurity and flying drones. The registration fee for the youth is \$75 (\$15/session).

April 23: Hackathon Introduction, Cybersecurity 101 Training

April 30: Drone Operations & Programming Training

May 7: Web Development 101 Training

May 14: Mobile Phone Development Training

May 21: Hackathon Presentations, Keynote Speaker, Awards and STEM4US! Opportunities

Outstanding Young Agriculturalist Contest - DUE MARCH 31ST

APPLICATIONS DUE: MARCH 31ST

[Click here for application and details.](#)

The Virginia Farm Bureau Young Farmers is offering a scholarship contest to recognize high school juniors and seniors for outstanding academic, community and agricultural achievement to encourage students to evaluate their progress and career goals and to stimulate students' interests in striving for leadership opportunities and involvement in the agriculture or agribusiness industries. The state winner will receive a cash scholarship of \$1,500 sponsored by Farm Credit, Southern Farm Bureau and the Virginia Farm Bureau Young Farmers Committee. A runner-up will receive \$500 from VAFB Young Farmers. Each finalist, other than the state winner & runner-up, will receive a \$250 award sponsored by Virginia's Farm Credit Associations and Southern Farm Bureau Life Insurance Company.
