Virginia 4-H: 2023 States' 4-H Exchange ISO 17 Host Families

Please consider hosting a young Japanese delegate in your home this summer!

Virginia 4-H is looking for families to host 16 Japanese youth delegates during summer 2023 and 1 adult delegate. Host family applications are available now. Please consider this amazing opportunity to grow your cultural competencies! **We need 4 more family applications by May 19th!**

Summer Program FAQs

2023 Online Application Link

Click here for the Virginia 2023 States' 4-H Exchange

Facebook Page.

- Program runs July 24 through August 19
- No previous 4-H experience is required
- Japanese delegates will be aged 12-18
- Youth have a range of English language abilities.
- Host family receives no stipend to host a delegate.
- To host a delegate, a family must have a child who is 9+ years old.
- Families will be matched with a delegate of the same gender who is within 3 years of the host youth's age.
- Families without youth can host adult chaperones.
- Delegates are here to experience every day American life. No special activities need to be planned.
- Host Families will receive support before, during & after the exchange

States' 4-H International Exchange Programs

2023 INBOUND PROGRAMS

Host a delegate in your home this summer and give your family a global perspective!

Host a Japanese youth in Summer 2023 through States' 4-H International!

Invite an international youth into your home for three and a half weeks and share an American experience. Expand your family's cultural understanding, learn about new foods and customs, and possibly a new language all while sharing your own. Your children will build lifelong friendships and will gain new perspectives on their own country too!

Open your home to an exchange student and open your lives to the world!

HOSTING PERIOD: 3 1/2 weeks from late July to mid August

- You can host a youth aged 12-18 or an adult chaperone
- Youth have a range of English language abilities, so host families should be prepared to communicate imaginatively

HOST FAMILY REQUIREMENTS

- You must have a child of the same gender who is within 3 years of the hosted youth (children aged 9+ are eligible to host)
- Families without children of the appropriate age may host an adult chaperone
- No special activities need to be planned since these youth want to experience American culture, make new friends, and improve their English by staying with your family
- You don't need to be involved with 4-H to host

East Coast Aggie Horse Judging Clinic to be held on the Campus of Virginia Tech

The Virginia Youth Animal Science Program is excited to partner with Texas A & M Horse Judging Coach, and Virginia 4-H Horse Program Alum, Sarah Schobert, to offer a two-day Horse Judging Clinic for youth and coaches.

You won't want to miss this incredible opportunity to learn from the coach and members of one of the most successful collegiate horse judging programs in the country. Sarah Schobert was a member of the Virginia 4-H State Horse Judging Team, attended Blackhawk Junior College and Oklahoma State University, serving as a successful member of the horse judging team at both institutions. She began her coaching career as a graduate student at OSU, and currently serves as the Horse Judging Team Coach and Equine Lecturer at Texas A & M University. We are excited to welcome Sarah and her team back to Virginia to share her talent and knowledge with our Virginia youth.

There will be sessions for both youth participants and coaches – everyone must register using the information below.

- Registration is required by June 6th. [Click here to register.](#)

NATIONAL 4-H CONGRESS
UNFORGETTABLE
PAST **INNOVATIVE**
FUTURE

For more than 100 years, National 4-H Congress has served as the premiere educational and recognition event for senior 4-H members. National Congress provides participants an exciting opportunity to explore careers, engage in a variety of quality learning experiences, and have great fun by getting to know other 4-H members from across the country. Outstanding 4-H members will be selected to represent Virginia at National 4-H Congress. Candidates for selection must be senior 4-H members in the current 4-H year who are able to demonstrate outstanding achievement as a 4-H member in the areas of leadership, citizenship, and personal development.

During this submission process, applicants will be asked to submit their cover letter, resume, three letters of recommendation, and a photo.

SHARING IS DARING - WHAT I WISH PEOPLE KNEW

Nathaniel is using his #4H skills to help the elderly learn to use new technologies. Something he wishes people knew about 4-H is that “it really is a big organization that does a lot of things outside of the stereotypes that people have. It really is so much more.” [Click here to watch.](#)

“4-H brings people happiness.” That’s why Rosa is utilizing her #4H skills to help improve the lives of kids in her home state of West Virginia. She’s making a difference in her community and you can too! [Click here to watch.](#)

Every voice matters. Dare to share your story and tag @national4H so we can share it with the world. #WhatIWishPeopleKnew #WIWPK

SAVE FOR THE FUTURE

There are many options when choosing a financial institution. This activity shows kids and teens how to compare financial institutions and lets them decide what factors are important in choosing the one that's right for them.

Ag Career Exploration - Virtual Presentation by FFA

Date: Wednesday, May 17th, 2-3 pm

[Click here for more information and to register.](#)

“Doing to Learn, Learning to Do, Living to Serve, and Earning to Live.” Twelve short words that have been so powerful in shaping the future of so many who are now FFA alumni and will continue to serve in preparing the next generation leaders.

“FFA not only prepares students to be the agriculture leaders of tomorrow, it creates a voice of advocacy to promote the food, fiber [and natural resources] industries throughout the world,” shared Robert Mills '94, agriculture producer, Virginia Tech alumnus, and former president of the FFA state officer team. “FFA instills integrity, a strong work ethic, citizenship and commitment, all foundational for success in life.”

Join us on May 17 as Robert and his son, Logan Mills, '21 share how FFA shaped their futures and provided that formal education in middle and high school with hands-on, “real world” experiences.

Soils4Teachers and Soils4Kids Resources (*highlights by Dr. Eric Bendfeldt, Virginia Tech*)

Check out these resource websites hosted by the Soil Science Society of America!

<https://www.soils4teachers.org/>

<https://www.soils4kids.org/>

There are a number of lessons and activities for a range of audiences from third grade to undergraduate courses. Lessons align with SOLs, are applicable to Envirothon preparations, after school programs, STEM, career education, and general soil health education. The sites explain how soil relates to food, clothing, air, water, and buildings as well.

ACTIVITIES & INFORMATION

1) Soils and Music: Examples, Have Students think of songs that involve soils, food, and farming.

- From Scientists
 - [**Soil Order Song**](#)
 - [**Erosion Song**](#)
 - [**Topsoil Song**](#)
- Country Music:

2) Soil and Art Activities

[**Soil Crayons**](#) (Grades K-6). This activity provides and appreciation for the variety of soil colors.

[**Soil Painting**](#) (Grades K-6) Instructions for how to make paints of wondrous colors using soil.

3) Importance of Soil

[**The Soil Chain - Utah AITC**](#) (Grades K-4) Lessons about the importance of soil as a natural resource

[**Soil as a Filter - Dr. Dirt**](#) (Grades 1-8) Hands-on activity using soil and Kool-aid type drink to demonstrate how soils filter impurities from water. Teaches how soil is important for clean water.

[**Making a Soil Sam**](#) (Grades K-4) Students make a "Soil Sam" with a baby food jar to hold the soil and grass seeds planted to grow "hair."

4) What type of things do people do with soil? (Careers)

[**Soil Forensics - Teachers First**](#) (Grades 6-12) In this activity, students use the unique properties of soil to solve a crime.

[**Urban Soils Information**](#) - USDA NRCS (Grades 6-8) This 77-page document gives information about urban soils for homeowners and renters, local planning boards, property managers, students, and educators.

5) Soil as a Building Material

[**Building a Sod House On-line Game - Smithsonian Museum**](#) After the game click “learn more” for a brief history of early life on the prairie. There are three activities in PDF form. “Darkroom Detective” has some great photos of sod and dug out houses. “Get a Sense of It” would be a nice activity except they use the term “dirt” instead of soil. “Dakota Dugout” by Ann Turner is about a young couple’s life in a dug out house. Questions regarding the book are available in the PDF file, but not the book.
