Prince William 4-H Share the Fun is an exciting annual talent show where participants perform on a stage for family, friends, and guests, and get feedback from a panel of judges based on a standard 4-H rubric. This event is a learning competition to improve skills and performance, not a competition against peers. ## Prince William 4-H Teen Club Prepares for 4-H Day at the Capitol

With Virginia 4-H Day at the Capitol quickly approaching, it's time to freshen up our meet and greet skills! 4-H'ers met last night to prepare for our visit. We began by playing the handshake game to gain confidence in greeting new people - who knew that shaking hands could be so creative and fun? We also researched our specific Prince William legislators by using the state Capitol website. As we learned about where they are from and their key issues, we each came up with a question that is relevant to our community to ask our officials. Finally, we tested our civic knowledge through a Q & A activity to re-familiarize ourselves with state government terms. Our 4-H youth are well prepared to greet and share their 4-H stories!

*Did you know...*the Prince William 4-H Association provides scholarships and helps to offset the cost of opportunities such as participating in Virginia 4-H Day at the Capitol - we hope you'll attend their meeting on Tuesday at 7 PM at the PW 4-H Office to support our local youth!
