### Incidents

**Shooting Investigation** – On August 22 at 5:11AM, officers responded to the Shorehaven apartments located in the 16900 block of Porters Inn Dr in Dumfries (22026) to investigate a shooting. The investigation revealed a 45-year-old man sustained a gunshot wound to his lower body. The man was treated at an area hospital where the injury was determined to be non-life threatening. The man was not cooperative with investigators as to what led to the injury. **At this time, the incident does not appear to be random and there is no active threat to the community.**

**Vicious Animal Complaint** – On August 20 at 8:43AM, officers responded to the 7500 block of Whitehall Dr in Manassas (20111) to investigate a vicious animal complaint. The investigation revealed three Rottweilers were at-large in the neighborhood acting aggressive and had bitten two adult community members. Officers arrived on scene and attempted to contain the animals in a police cruiser. At one point, one of the dogs lunged towards and bit an officer provoking the other two dogs to approach the officer in an aggressive manner. The officer fired their duty weapon, striking one of the dogs which then disengaged and dispersed. Animal Control Officers and the dog's owner arrived, eventually detaining all three animals. The injured animal dog was transported to an area veterinarian where they were humanely euthanized. The two other dogs were surrendered to Animal Control. The injuries sustained by the two community members and the officer were determined to be non-life threatening. The owner of the dogs was charged with not having a dog license and allowing dogs at large for each of the animals. Additional charges are pending.
